# Introduction

This directory provides a list of DenteMax Medicare network of providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The DenteMax Medicare network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory or you can choose to go to any dentist. Generally, your costs will be lower if you go to a DenteMax Medicare dentist. DenteMax dentists have agreed to charge a fixed amount for each covered service as payment in full. You will not be billed for additional costs for dental services covered by the plan.

If you choose to go to any other dentist outside of the DenteMax Medicare network, you may pay more. The dentist may bill you for additional costs if what they charge is more than the amount payable by your plan.
