

## MVP Training and Attestations: Who, What and When?

Name	Description	Type	Who needs to take this training?	Frequency	Line of business participation	Training and attestation location
<b>Cultural Competency Training for Groups</b>	To best serve the cultural and ethnicity needs of our members, NCQA requires health plans to provide training to Participating Providers on topics of health equity, including cultural competence, bias, diversity, and inclusion.	Training and attestation	Providers at the Group level or sole practitioners (NY and VT)	Once per calendar year	All lines of business	<a href="http://mvphealthcare.com/Cultural">mvphealthcare.com/Cultural</a>
<b>Exclusionary Database Monitoring Attestation</b>	To ensure Medicaid Network compliance, MVP must confirm our Medicaid Provider Network has the appropriate policies and procedures in place regarding exclusionary databases, stating that all Participating Provider employees and staff participate in annual training.	Attestation only	All Medicaid Providers at the Group level or sole practitioners (NY) and all employees	Once per calendar year	NYS Government Programs	<a href="http://mvphealthcare.com/EDM">mvphealthcare.com/EDM</a>
<b>Dual Special Needs Program (D-SNP)</b>	MVP offers a D-SNP plan for enrolled individuals dually eligible for Medicare and Medicaid in the Capital District, Monroe County, and the Hudson Valley. CMS requires Providers who care for patients in D-SNP plans to complete training.	Training and attestation	All Providers who participate in both MVP Medicare Advantage and Medicaid networks (NY) or provide Medicaid only services	Once per calendar year	MVP Medicare and NYS Government Programs	<a href="http://mvphealthcare.com/DSNPeducation">mvphealthcare.com/DSNPeducation</a>
