

Find a Doctor Online, Anytime

To get started, visit mvphealthcare.com/find-care. Select *Find a Doctor* to view our network of doctors, specialists, and other providers based on your location.

To search providers within the GlobalFoundries Plan:

- Enter your location
- Select *Choose a plan* from the *Find a Doctor* page.
- Search for MVP EPO/PPO

After confirming your selection, you will be ready to search providers within the MVP network.

easily
access
the *Find a
Doctor* tool

MVP Health Care® makes it easy to find providers that accept the GlobalFoundries plan. Use the *Find a Doctor* tool to:

- Search for a provider by specialty or location
- Locate a nearby lab or urgent care center
- Filter providers by things like language or location
- Compare up to three providers at a time
- Download a PDF of your search results
